COMPETITION REGULATIONS

REGULATION 210

The following penalties will apply to withdrawals for all adult singles leagues

Withdraw without playing or after playing 1 match = 6pt penalty (carried forward to the 2027 league)
Withdraw with 3 or more matches to play = 5pt penalty (carried forward to the 2027 league)
Withdraw with less than 3 matches to play = 4pt penalty (carried forward to the 2027 league)

Example of how it will work
Any penalty incurred in the 2026 4-wall or softball singles league will be carried forward to the 2027 singles league only and will be wiped when the 2027 leagues are completed. Any new penalty incurred in the 2027 singles league will be carried forward to the 2028 singles league and so on. A penalty incurred in a 4-wall singles league does not transfer to the softball singles league and vice versa.

REGULATION 211

The following will apply to players conceding a walkover in adult singles leagues.

Starting with the 2026 competitions, players will be awarded a playing point each time they play a match or receive a walkover. Those who play and lose will still get a playing point, but a player conceding a walkover will not get a playing point.

Players can concede a maximum of two walkovers in each competition and the concession of a third walkover will be classified as a withdrawal. A player conceding a walkover in his last match will be deemed to have withdrawn, unless his decision to give a walkover does not impact either his finishing position (in terms of qualification), or the finishing position of his opponent (in terms of qualification).

Unavailable dates	**Players may submit unavailable dates up to Thursday morning each week for the following week, but these will only be facilitated if the tournament schedule permits.**
Requests (through club secretary)	**Requests for postponements made after the fixtures have been released are unlikely to be facilitated and the walkover option is available to those players.**
