NOTES

Fixtures will stand unless clashes occur with those of a higher body or in the event that I missed a properly submitted unsuitable date.

When changes become necessary due to such a clash the second match on the programme may or may not be changed as well. This is so that our preference for a two match programme can be maintained if possible.

Only those tagged out in their official club colours will be permitted to play. This means matching jerseys and matching togs.

A County Board official will be present at each venue for medal presentation.

Assistance with refereeing will be appreciated.
