2017 County Wall Ball Championship

RULES & REGULATIONS

All matches are of 15 minutes (or first to 21 aces, whichever comes first) and one foul ball will be a hand out.

If players finish level after 15 minutes a tiebreak will ensue. The tie-break will be the first to 5 aces. The player serving will continue to serve.

If still level after extra time a one point tie breaker will be played with a toss of a coin to decide the server.

In the event of a tie in a round robin match the above will also apply. If all three players in a round robin finish with a win the winner will be the one with the most points scored in ordinary time. If still level the least points conceded will decide the winner.
