Junior BCD Team Championship Allowances

Junior B players to be at scratch, junior C players have a 10 point allowance and junior D players have a 15 point allowance. Allowances are to be calculated before the match commences on the night.

Overall scores to be recorded and sent in with result

Possible example: Team A v Team B

Team A – 1 x B player, 3 v C players, = 30 points

Team B – 1 x B player, 1 x C player, 2 x D players = 40 points

In such a situation Team B would start with a 10 point advantage.

Two points for a win and one point each for a draw.

Championship format as follows;

Singles 2 x 21, Doubles 2 x 21, Singles 2 x 21

Teams to be exchanged by team captains before the first players tog out on the night.
