4. When two or more teams in a group tie on points, the placings are decided on total aggregate aces (for is totalled first, if still a draw then total against – lowest will be awarded highest placing). Where aggregate scores are still equal, a play-off to 11 aces between any pair from each side decides the placings.

6. Full playing rules apply in all games (As there is a time element to this competition – no time outs are allowed and each player can only serve 1 fault before it's a hand/side out, i.e. if player 1 serves a short ball it's a serve out and player 2 serve's, if player 2 serve's a long serve it's a hand out).
7. If a player serves the ball and it hits their partner before crossing the short line then a hinder is called. But if a player serves two consecutive hinders this results in a handout.
