Fixture change Should a player request a change of fixture the following procedure applies:

- The player seeking the change must contact their own club secretary
- The club secretary will contact Fiona, the county juvenile committee secretary, to seek permission to contact the opponent's secretary. **Due to the huge number of fixtures, the timeline, the number of unavailable dates received, the availability of alleys and referees, permission will not always be granted. Only extreme or unforeseen circumstances will be considered.**
- If permission is granted by the County juvenile committee secretary, the club secretary must then contact the opponent's club secretary to seek a change. This request is, in the first instance, subject to the agreement of the opposing club secretary, and if that is forthcoming, the club making the request will also concede the venue, date and time of the refixture.
- The game must be played on the week of the official fixture. Failure to fulfil the new fixture OR if no result is sent to the County juvenile secretary within this time frame (**by the Sunday night of that week**), a walk over will apply and/or the points will be rewarded to the opponent as appropriate.
- Should an agreement be reached on the game between the two club secretaries, the club secretary of the player seeking the change must contact County juvenile committee secretary Fiona Byrne with a date, time, venue and the name of the referee looking after the game in order for it to be deemed an official fixture. The club secretary seeking the change is responsible for booking the venue for the rescheduled fixture along with cancelling the original court booking.
